Greetings MCC Sports Supporters!

We hope 2018 has treated you well! The Boosters are cognizant of the financial strain placed upon families and businesses with the current cost of living and state of the economy. This acknowledgment is balanced with pushing onward with projects that strengthen the Murray County Central Schools and the sports activities that allow students to make a stronger connection with academics.

- The Booster Club – numbering over 100 businesses, families, and individuals over the past school years - is a valuable organization that provides a needed source of financial support. Over the years, the Boosters have been responsible for replacing worn wall pads in the gymnasium, adding conference banners to the gym wall, providing an extra volleyball coach to the volleyball program, purchasing a shooting machine for the boys and girls basketball teams, track & field high jump indicator board (displays to spectators what height competitor is attempting to clear), track & field pole vault indicator board (displays to spectators what height competitor is attempting to clear), replacement of chain-link fence backstop on varsity baseball field, replacement of football yard markers, football training room supplies (athletic tape for ankles, wrists, fingers), Maintenance of the athletic complex fence and gates, and boys & girls basketball varsity uniforms, an irrigation system for the baseball and football fields, new helmets & pads for the junior high football program, track protector covers for the track entrances and new lockers for the locker rooms.

Each year, the Boosters make an effort to rotate which sports are recipients of proceeds but also factor in need and coaches' recommendations.

The MCC Rebel Sports Booster Club offers you, your family, or business the opportunity to be recognized as a Booster Club member by contributing your dollar at the Rudy, Silver, Black, Purple or Rebel Levels described hereafter. Dollars generated will be used to supplement the aforementioned projects that strengthen MCC Athletic Programs. Thank you for your consideration! ***Deadline to join the MCC Rebel Sports Booster Club is September 29, 2018.*** The programs will show a

listing of booster club members that will be prominently displayed at home contests for fall, winter, and spring sports.

Contribution Levels include:

- ❖ **Silver Level - \$25**
- ❖ **Black Level - \$50**
- ❖ **Purple Level - \$75**
