**NOTE TO PARENTS:** Due to very limited Gym availability – practice times are not consistent. Please follow the schedule closely. Practice times may need to be changed due to weather, to accommodate a coach’s schedule or to the rescheduling of High School Athletics. If a change is made you will be notified through e-mail or Instant Alert (please make sure your instant alert messaging information is up-to-date).

Please remember your coaches are volunteers. They are dedicating many hours of their time to coach your children, please be as understanding and accommodating as possible. If you have issues or concerns, please try to resolve them with your coach first. If you still have concerns, please feel free to contact me at 836-8360 or (507) 227-7533.

Thank You!!
